Animal Welfare Investigations

DON'T LEAVE AN ANIMAL IN A HOT CAR!

5-10 minutes is all it takes for heatstroke to be fatal.

Call 775-322-3647 to notify Washoe County Regional Animal Services Dispatch

Alert nearby businesses who could make an emergency announcement
Stay by vehicle until help arrives.

Animal Services will remove an endangered animal from your vehicle, even if they have to break a window to do it!

Nevada State Law states it is illegal for a person to "allow a cat or dog to remain unattended in a parked or standing motor vehicle during a period of extreme heat."
